

# La Pryor ISD CARE Team Procedures

## Tier I CARE Team Assistance Procedures:

### Universal Interventions

(The general education teacher provides interventions in the classroom or a Teacher/Parent/Student refers student to the Care Team)

- Complete a Tier I form and submit to the CARE Team chair for review
- A CARE Team member will observe the student in class
- A CARE Team meeting will be held to dialogue possible other classroom level interventions.
- Intervention strategies discussed will be implemented
- A CARE Team follow-up meeting will be held to review results and determine next steps.

## Tier 2 CARE Team Assistance Procedures:

### Small Group Interventions

(If Tier 1 is unsuccessful, determine more intensive small group interventions to use)

- Complete a Tier I form and submit to the CARE Team chair for review
- A CARE Team meeting will be held to dialogue interventions that are supplemental to the regular classroom instruction
- Intervention strategies discussed will be implemented
- A CARE Team follow-up meeting will be held to review results and determine next steps. If student is successful, issue is solved; if not successful, refer to Tier 3

## Tier 3 CARE Team Assistance Procedures:

### Individual Interventions

(If Tier 2 is unsuccessful, determine more intensive individual interventions)

- A CARE Team meeting will be held to dialogue interventions that are intensive and individualized
- Intervention strategies discussed will be implemented
- A CARE Team follow-up meeting will be held to review results and determine next steps. If student is successful, issue is solved; if not successful, refer to Section 504, Special Education, or other district options.
