Dear Parents,

We at La Pryor ISD thank you for being our partners in education. Fifth and eighth grade are the Student Success Initiative (SSI) grade advancement levels set by the State of Texas. The State of Texas requires that a child in these grade levels achieve a satisfying academic performance on both Reading and Math STAAR assessments for grade advancement.

On Thursday, April 24, 2014, at 5:30 p.m. we will have a parent information night at the High School Cafeteria. We will discuss SSI requirements and possible outcomes if satisfactory performance is or is not achieved.

Your child's scores are available and will be provided to you by administration at that time. If you are unable to attend, the scores will be mailed out to you.

Refreshments will be provided. Please come by and join us for the discussion.

Thank you,

Leticia R Flores
