***The Detailed Results page, where you can view actual test questions on a STAAR test and how your child answered them, is currently only available for the March 2017 grades 5 and 8 and May 2017 grades 3, 4, 6, and 7 reading and mathematics tests without embedded supports. We are working to roll out this feature for more subjects and grades for future administrations of STAAR. For all further information, please contact your child’s school district or campus.**
